Dr. Jon Seby is a board certified Chiropractic Physician and is full-body certified in Integrative Diagnosis. Dr. Seby treats his patients with a holistic approach by incorporating chiropractic care, Manual Adhesion Release (MAR), Instrument Adhesion Release (IAR) and Functional Range Conditioning (FRC) to diagnose and treat the underlying cause of an injury. He provides the highest standard care to every patient, and he takes the time to educate and include his patients as partners in their therapy.

Dr. Seby received his doctorate degree from Palmer College of Chiropractic, graduating Magna Cum Laude. While attending school he worked in the Palmer Rehabilitation and Sports Injury Department and earned a scholarship playing for the school's Division I Men's rugby club. Prior to chiropractic school, Dr. Seby graduated from Augustana College with degrees in Biology and Pre-Medicine. While at Augustana, he made it to the Division III playoffs in football and the national championships in track and field for javelin. He also earned Academic All-American honors for track and field.

Dr. Seby treats and works with many professional and collegiate athletes, as well as high school athletes and active individuals looking to increase their performance.
